Testimonials

We had our wedding at Pollokshields Burgh Hall in early September, and it was a fantastic venue! The main hall is a beautiful backdrop for the ceremony and reception, with lovely stained glass windows and wood panelling. There is also a great space downstairs for a drinks reception, and access to a small garden area if weather permits. Staff were very helpful throughout the whole planning process and also on the day itself. Would thoroughly recommend!

We got married here just last week and it was so so perfect. ...was absolutely amazing from start to finish and was such a wonderful presence on our day. We had such an incredible day and the flat we stayed in was delightful as well

Giordana

I was lucky enough to shoot an incredible wedding at this awesome wedding venue recently. I also got married here, so maybe I'm biased, but I love it so much. This wedding was incredibly colourful and such great fun. I'd definitely recommend this venue to anyone looking to get married in Glasgow.
